

Offsite Construction & Modularization Workshop* Truck Shippable Modules

November 6th 2019 | | Clearwater Beach, Florida

Wednesday, November 6th

- 7:00 – 8:00 AM **Breakfast/Registration**
- 8:00 – 8:20 AM **Welcome and Safety Topic**
Welcome – Greg Sizemore, Executive Vice President, CURT
Facilitator – Joe Gionfriddo, CURT Special Projects
- 8:20 – 9:15 AM **Keynote – Forecast and trends around megaprojects and potential implications for the built environment, including offsite construction for owners**
Speaker: Tyler Pare, Principal, FMI Corporation
- 9:15 – 9:45 AM **Identifying, Planning & Managing Critical Milestones on an offsite/modular project – What should an owner be looking out for as the project progresses, and how are the milestones managed on different size projects?**
Speakers: Bill Lewis, Senior Manager Projects Construction, Global E & PM, Sabic, Co-Chair CURT Offsite Committee & Paul Hochi, Module Consulting Group, Worley
- 9:45 – 10:00 AM **Networking Break**
- 10:00 – 10:30 AM **Pre-Stressed or Precast Concrete uses – Advantages and uses of precast concrete, including success stories**
Speaker: Bob Pool, Executive Vice President, Alfred Miller Contracting
- 10:30 – 11:00 AM **Design Assist Approach to a Truck-able Modularized Utility System**
Speaker: Brad Hughes, Principal, Epsilon Industries Inc.
- 11:00 – 12:00 **Roundtable Discussion**
Roundtable Facilitator: Mike Brewer, Director, Global Project MM, Freeport-McMoRan, Co-Chair CURT Offsite Committee
- 12:00 – 1:00 PM **Lunch**

- 1:00 – 2:00 PM **Cost Certainty & Budgeting:** A question & answer format energizing the modularization cost certainty and budgeting topic
Facilitators/Speakers: Teresa Magnus, Principal Magnus & Co, Inc. & Kevin Shipp, McAbee Construction
- 2:00 – 2:15 PM **Networking Break**
- 2:15 – 2:45 PM **Modularization Scheduling Advantages –** Learning share that validates that modular construction provides opportunities for “concurrent” offsite and onsite work activities that result in significant reduction in the overall project schedule
- 2:45– 3:45 PM **FMI Offsite Construction Study 2020**
Review of 2018 FMI/CURT/CII offsite construction study (high level), some new findings/insights around offsite construction since the study was completed, followed by audience interactive table discussions around the 2020 offsite construction study.
Speaker: Tyler Pare, Principal, FMI Corporation
- 3:45 – 4:00 PM **Closing Remarks**
Joe Gionfriddo, CURT Special Projects

Upon completion of the Workshop day, attendees are eligible for 6 CEU hours to submit to their designated organizations.

Contact Ronna DuBro, CURT Member Relationship Manager, rdubro@curt.org, 513-981-2773 with any questions and/or assistance needed with registration.
