*Project labor risk is a top challenge impacting the construction industry. While there are many great local and regional initiatives and programs, the industry needs a strong Owner voice. In this working session, we will engage you to help create the strategy CURT will employ to get Owner's to take and support a more proactive role in workforce issues and actions to mitigate labor risk. We need you to be part of the solution for influencing the C-suite to understand the value and ROI of workforce and training investment and collaboratively support it.*  
  
Facilitator: Tim Johnson, Principal – The TJC Group

2:15 – 2:30 PM     *Networking Break*

2:30 – 4:15 PM     Workshop on Implementing Risk Avoidance Strategies (Part 2)

4:15 – 4:30 PM     Closing Remarks
