## WHAT CURT CAN DO FOR YOU & YOUR ORGANIZATION

### **CURT exists to...**

- Improve quality and cost effectiveness in Owner construction and maintenance projects.
- Represent “the Owners’ voice” to the industry and give Owners direct involvement in national and international construction issues.
- Provide resources for sharing best practices among Owners.
- Supply a forum to address mutual Owner issues—especially those of safety, labor relations, productivity improvement and other cost-reduction strategies.
- Provide opportunity for Owners to network on domestic and international issues.
- Promote workforce recruitment, education and training, as well as effective construction planning and practices.
- Provide a repository for Owner resources so they may become more effective decision makers.
- Communicate and interact with contractors and associations to assure that the Owner’s voice is heard and understood.
- Improve existing and create new strategic alliances with both open-shop and unionized sectors of the industry.
- Develop industry standards and Owner expectations with respect to safety, training and worker qualifications.
- Empower and enhance the effectiveness of Local User Councils throughout North America.

### **What can CURT do for you and your organization?**

- Provide leadership to the industry and drive change by creating a strong industry communication opportunity to Owners.
- Create and promote resources for sharing best practices.
- Opportunity to work with Owners to develop industry standards and expectations regarding safety, training and worker/contractor qualifications.
- Promote workforce development in all industry sectors.
- Work with Owners to improve quality and cost effectiveness of construction and maintenance operations.
- Provide continuing education workshops and seminars for the professional development of members and their employees.
- Facilitate high-level industry networking opportunities.
- Create initiatives that drive change and reflect your organization’s overall challenges and concerns.
- Collaborate with Owners, contractors and construction trade associations on policy and industry recommendations.
- Supply white papers, reports, survey results and publications for decision-making and educational purposes.
- Recognize your members for outstanding safety procedures and workforce development through the CURT awards program.
